

## KDEM Preparedness Branch Bulletin 21-02

January 21, 2021

TEEX ICS-300 Virtual Course Offering- Immediate action required for enrollment!

TEEX has just notified us of a virtual ICS-300 course offering scheduled for January 25-28 which has had a number of enrollment slots open up; however due to the short interval interested participants must register prior to 0930hrs Friday, January 22<sup>nd</sup> (tomorrow!)

Following is the enrollment link which contains course information:

<https://my.teex.org/TeexPortal/Default.aspx?MO=mCourseCatalog&D=FP&C=MGT904&S=573>

This course is offered at no cost but does require the participant establish a myTEEX account.

Computer requirements:

**To participate in a Zoom Live Online Instructor-Led Training you will need the following:**

- **Computer or mobile device (Personal computer is highly encouraged due to the increased functionality for completing breakout activities)**
- **An internet connection – broadband wired or wireless (3G or 4G/LTE)**
- **Speakers and a microphone – built-in or USB plug-in or wireless Bluetooth**
- **A webcam or HD webcam - built-in or USB plug-in**

**NOTE: In order to have the best training experience, it is recommended that you use the Zoom application which you will be prompted to download.**

*Be sure to upload all completed certificates to your KS-Train account!*
